Index of Issues: January–March 1–62: April–June 63–124; July–September 125–184: October–December 185–238.

INDEX OF AUTHORS

A

Achola, J-N, 98
Anzai, RY, 63
Aral, SO, 83

B

Batteiger, BE, 160
Bebb, D, H 216
Bekassy, Z, 209
Bell, TA, 195
Benningen, G, 33
Bergelin, I, 185
Biddle, J, 153
Blount, JH, 83
Bogaerts, J, 191
Bomzer, CA, 231
Bonin, P, 26
Bowie, WR, 88, 216
Brenner, ER, 37
Britz, J, 44
Brunham, RC, 33

C

Carvalho, FM, 63
Chacko, MR, 75
Chandler, JW, 195
Chmiel, JS, 44, 92
Clay, JC, 180
Coleman, RM, 41
Collier, AC, 1
Cox, P, 23
Cromer, BA, 75, 125
Cummings, M, 23
Curd, JG, 201
Czeresnia, CE, 63

D

D'Costa, L, 98
Daling, JR, 12
Davis, CH, 165
Diaz-Mitoma, F, 33
Doraiswamy, B, 23
Dukes, RL, 107

E

Ehret, JM, 141
Ellison, RT, III, 201
Elsner, P, 122
England, AC, III, 231
Eschenbach, DA, 195
Eskelinen, A, 185

F

Feldblum, PJ, 147
Fendrick, JL, 17
Fiumara, NJ, 58
Forsey, E, 156
Foy, HM, 195
Fransen, L, 98
Frost, EH, 130

G

Gerety, B, 79
Getchell, JP, 1
Geyid, A, 153
Gibbs, RS, 213
Glasser, D, 75
Goldsmith, JM, 44, 92
Graman, PS, 205
Gravett, M, 195
Grayston, JT, 195

H

Habte-Gabr, E, 153
Hadler, SC, 92
Hallick, LM, 17
Hammerschlag, MR, 23
Handsfield, HH, 1, 141, 227
Hanifin, JM, 17
Hartmann, AA, 122
Heald, FP, 125
Heaton, CL, 102
Heifetz, CL, 111
Hodinka, RL, 165
Holmes, KK, 26, 141, 195
Hook, EW, III, 26, 141, 156, 227
Hull, HF, 79

I

Ismail, R, 113
Ivanoff, B, 130

J

Jaffe, HW, 48
Johnson, RE, 37
Jones, CC, 79
Jones, RB, 160
Judson, FN, 14, 201
Jurica, JV, 231

K

Kalish, SB, 44, 92
Kastrinakis, M, 52
Katz, BP, 160
Kestelyn, P, 191
Knapp, JS, 26, 141
Knight, ST, 165
Kohler, PF, 201
Kuo, C-C, 195
Kwang, WN, 63

L

Lassus, A, 185
Latham, RH, 54
Latif, AS, 9
Lee, C-T, 116
Lee, SH, 165
Lim, K-B, 116
Linnemann, CC, Jr, 102
Lukehart, S, 156

M

Marowa, E, 9
Mason, PR, 9
McCormack, WM, 23
Meheus, A, B
Mertz, GJ, 79
Meyers, JD, 1
Miller, RG, 41
Mohan, K, C
Moorman, DR, 165
Moorthy, T, 116
Murphy, VL, 1

N

Neuburg, M, 17
Nigida, SM, Jr, 41
Noble, RC, 221
Nzanze, H, 98

O

Ossari, SA, 130
Ostrow, DG, 44, 92

P

Paloranta, A, 185
Parekh, MC, 221
Pavithran, K, 119
Peeters, MF, 130
Peixoto, S, 63
Perine, PL, 153
Petti, DA, 63
Phair, JP, 44, 92
Phillips, SA, 75
Piot, P, 98
Potterat, JJ, 107
Prasad, E, 156
Proctor, EM, 216

Q

Quiroz, E, 69

R

Rabkin, CS, 48
Reeves, WC, 69
Reichman, RC, 205
Reller, LB, 201
Rice, RJ, 83
Rinne, E, 185
Ritchey, M, 102
Roberts, PL, 1
Robinson, EN, Jr, 54
Rojanapithayakorn, W, 147
Romanowski, B, 156
Ronald, AR, 33, 98
Rosenberg, MJ, 147
Ross, MW, 174
Rothenberg, RB, 107

S

Säilä K, 185
Sandström KI, 195
Sawasdivorn, W, 147
Schachter, J,
Schmid, GP, 37
Schultz S, 48
Serdo, D, 153
Sesnie, JC, 111
Shapiro, MA, 111
Sherman, KJ, 12
Sibau, L, 216
Silber, TJ, 52
Skipper, BJ, 79
Slutchuk, M, 33
Smyth, kW, 180
Stamm, WE, 195
Stenzel-Poore, MP, 17
Storrs, FJ, 17

T

Tam, M, 156
Tan, T, 116
Taube, O, 52
The Cooperative Study Group, 37
Thomas, PA, 48
Tomioka, ES, 63
Trupei, MA, 205

V

Veeravahu, M, 180
Von Krogh, G, 135

W

Wagner, RF, 58
Wallemark, C-B, 44
Waskin, H, 79
Weiss, NS, 12
Weström L, 209
Whittington, WL, 41
Willetts, V, 88
Wyrick, PB, 165

Z

Zaidi, AA, 83
Zecchi de Souza, A, 63

INDEX OF SUBJECTS

A

Acquired immunodeficiency syndrome
  factitious case of (Robinson & Latham), 54
  immunologic status of contacts of patients with (Goldsmith & others), 44
  low incidence of, and persistence of high-risk sexual activity (Jones & others), 79
Acquired immunodeficiency–related complex, immunologic status of contacts of patients with (Goldsmith & others), 44
Ampicillin, single-dose, for gonococcal urethritis, in Ethiopia (Habte-Gabr & others), 153
Anorectal warts, and perianal Bowen's disease (Fiumara & Wagner), 58

B

Bacterial vaginosis, reinfection with, and *G. vaginalis* in male upper genital tract (Elsner & Hartmann), 122
Bowen's disease, perianal, and anorectal warts (Fiumara & Wagner), 58

C

Ceftriaxone
  for primary syphilis in men (Moorthy & others), 116
  single 125-mg dose, for gonorrhea (Handsfield & Hook), 223
Cerebrospinal fluid, evaluation of, in asymptomatic late syphilis (Graman; Trupei & Reichman), 201
Chancroid, single-dose spectinomycin vs. 5-day trimethoprim-sulfamethoxazole for (Fransen & others), 98
Children, sexually abused, colonization of with genital mycoplasmas (Hammerschlag & others), 23
Chlamydia trachomatis
  contraceptive sponge protection against (Rosenberg & others), 147
  erythromycin for, 1-g vs. 2-g dose of (Linnemann; Heaton & Ritchey), 102
  and intra-amniotic infection (Gibbs & Schachter), 209
  isolation of, and prior STD (Katz; Batteiger & Jones), 160
  McCoy cells infected with, effect of nonoxynol-9 on (Knight & others), 165
Chlamydial conjunctivitis, natally acquired, silver nitrate solution vs. erythromycin ointment for prevention of (Bell & others), 191
Condyloma accuminata
  anorectal, and perianal Bowen's disease (Fiumara & Wagner), 58
  female genital, infrared coagulation of (Bekassy & Westrom), 205
  penile, podophyllotoxin self-treatment of (Krogh), 135
Conjunctivitis, chlamydial, natally acquired, silver nitrate solution vs. erythromycin ointment for prevention of (Bell & others), 191
Contraceptive sponge, protection of against *C. trachomatis* and *N. gonorrhoeae* (Rosenberg & others), 147

E

Endocarditis, gonococcal (Jurica; Bomzer & England), 227
Endometritis, and acute salpingitis (Tomioka & others), 63
Enoxacin, for *N. gonorrhoeae* (Shapiro; Heifetz & Sesnie), 111
Enzyme-linked immunosorbent assay, for trichomoniasis in women (Sibau & others), 212
Erythema nodosum–like illness, and syphilis (Silber; Kastrinakis & Taube), 52
Erythromycin
  for *C. trachomatis*, 1-g vs. 2-g dose of (Linnemann; Heaton & Ritchey), 102
  for vaginal Ureaplasma urealyticum (Bowie & Willetts), 88
Erythromycin ointment, vs. silver nitrate solution, for prevention of natally acquired chlamydial conjunctivitis (Bell & others), 191
Ethiopia, gonococcal urethritis in, single-dose treatment for (Habte-Gabr & others), 153

F

Fluorescent monoclonal antibody test, for syphilis (Romanowski & others), 156

G

Gardnerella vaginalis, in male upper genital tract, as source of female reinfection (Elsner & Hartmann), 122
Genital herpes
  with concomitant oral infection (Miller & others), 41
  recurrent, interferon for (Lassus & others), 185
Genital mycoplasmas, colonization of sexually abused children with (Hammerschlag & others), 23
Genital ulcers, nonvesicular, etiology of, in Winnipeg (Diaz-Mitoma & others), 33
Gonococcal endocarditis (Jurica; Bomzer & England), 227
Gonorrhea. *See also* Urethritis, gonococcal
  epidemiology of, temporal changes in (Knapp & others), 26
    trends in (1975–1984) (Rice & others), 83
  posttreatment culture for (Schmid & others), 37
    lottery incentive for (Chacko & others), 75

single-dose 125-mg ceftriaxone for (Handsfield & Hook), 223
transmission of by heterosexual men (Potterat; Dukes & Rothenberg), 107
Gonorrheal keratoconjunctivitis, in African adults (Kestelyn; Bogaerts & Meheus), 191

H

Hepatitis B vaccine, nonresponse to, in homosexual men (Ostrow & others), 92
Herpes simplex virus, shedding of, in genital secretions (Stenzel-Poore & others), 17
Herpes simplex virus infection, recurrent genital, interferon for (Lassus & others), 185
Herpes simplex virus type 2, concomitant oral and genital infection with (Miller & others), 41
Homosexual men
as AIDS or AIDS-related complex contacts, HTLV-III antibody in (Goldsmith & others), 44
generalized persistent lymphadenopathy in, and LAV/HTLV-III antibody (Collier & others), 1
nonresponse to hepatitis B vaccine in (Ostrow & others), 92
persistence of high-risk sexual activity of, in area of low incidence of AIDS (Jones & others), 79
Human T-lymphotropic virus type III
antibody to
in contacts of AIDS and AIDS-related complex patients (Goldsmith), 44
and generalized lymphadenopathy, in homosexual men (Collier & others), 1
in STD clinic population (Rabkin & others), 48

I

Illness behavior, of STD clinic patients (Ross), 174
Infertility, tubal, and sexually transmitted diseases (Sherman; Daling & Weiss), 12
Infrared coagulation, of condyloma accuminata of female genital tract (Bekassy & Westrom), 205
Interferon, for recurrent genital herpes (Lassus & others), 185
Intra-amniotic infection, chlamydial serology in (Gibbs & Schachter), 209

K

Keratoconjunctivitis, gonorrheal, in African adults (Kestelyn; Bogaerts & Meheus), 191

L

Leukocyte esterase dipstick test, for nongonococcal urethritis (Veeravahu; Smyth & Clay), 180
Lymphadenopathy, generalized persistent, and LAV/HTLV-III antibody (Collier & others), 1
Lymphadenopathy-associated virus. *See* Human T-lymphotropic virus type III

M

Malaysia, β-lactamase–producing *N. gonorrhoeae* infections in (Ismail), 113
Munchausen's syndrome, and factitious case of AIDS (Robinson & Latham), 54
Mycoplasmas, genital, colonization of sexually abused children with (Hammerschlag & others), 23

N

Neisseria gonorrhoeae
auxotype/serovar classes of, distribution and temporal changes in (Knapp & others), 26
and antimicrobial resistance (Hook & others), 141
in Gabon (Peeters & others), 130
β-lactamase–producing, infection with, in Malaysia (Ismail), 113
bactericidal properties of urine for (Noble & Parekh), 217
contraceptive sponge protection against (Rosenberg & others), 147
drug resistance of, and activity of enoxacin (Shapiro; Heifetz & Sesnie), 111
and auxotype and serovar diversity (Hook & others), 141
in Gabon (Peeters & others), 130
posttreatment culture for (Schmid & others), 37
lottery incentive for (Chacko & others), 75
Nonoxynol-9, effect of on *C. trachomatis*–infected McCoy cells (Knight & others), 165

P

Panama, prevalence of STD in high-risk women in (Reeves & Quiroz), 69
Pelvic inflammatory disease. *See also* Salpingitis
gonococcal vs. chlamydial, clinical correlates of (Cromer & Heald), 122
Penicillin, single-dose, for gonococcal urethritis, in Ethiopia (Habte-Gabr & others), 153
Penile warts, podophyllotoxin self-treatment of (Krogh), 135
Podophyllotoxin, for penile warts, self-treatment with (Krogh), 135

R

Rosoxacin, single-dose, for gonococcal urethritis, in Ethiopia (Habte-Gabr & others), 153

S

Salpingitis. *See also* Pelvic inflammatory disease
acute
and endometrial damage (Tomioka & others), 63
and infertility (Sherman; Daling & Weiss), 12
gonococcal vs. chlamydial, clinical correlates of (Cromer & Heald), 122
Sexually abused children, colonization of with genital mycoplasmas (Hammerschlag & others), 23
Sexually transmitted diseases
in high-risk women in Panama (Reeves & Quiroz), 69
previous infection with, and chlamydial isolates (Katz; Batteiger & Jones), 160
and tubal infertility (Sherman; Daling & Weiss), 12
Silver nitrate solution, vs. erythromycin ointment, for prevention of natally acquired chlamydial conjunctivitis (Bell & others), 191
Spectinomycin, single-dose, for gonococcal urethritis, in Ethiopia (Habte-Gabr & others), 153
vs. 5-day trimethoprim-sulfamethoxazole, for chancroid (Fransen), 98
Spermicides, protection of against *C. trachomatis* and *N. gonorrhoeae* (Rosenberg & others), 147
Sponge, contraceptive, protection of against *C. trachomatis* and *N. gonorrhoeae* (Rosenberg & others), 147
Sulfamethoxazole. *See* Trimethoprim-sulfamethoxazole

Syphilis
acquired, in late congenital syphilis (Pavithran), 119
asymptomatic late, cerebrospinal fluid evaluation in (Graman; Trupei & Reichman), 201
congenital late, and acquired syphilis (Pavithran), 119
and erythema nodosum–like illness (Silber; Kastrinakis & Taube), 52
fluorescent monoclonal antibody test for (Romanowski & others), 156
primary male, ceftriaxone for (Moorthoy & others), 116

T

Tetracycline, for vaginal Ureaplasma urealyticum (Bowie & Willetts), 88
Treponema pallidum, fluorescent monoclonal antibody test for (Romanowski & others), 156
Trichomoniasis
enzyme-linked immunosorbent assay for (Sibau & others), 212
urethral, in men (Latif; Mason & Marowa), 9
Trimethoprim-sulfamethoxazole, 5-day, vs. single-dose spectinomycin, for chancroid (Fransen), 98
Tubal infertility, and sexually transmitted diseases (Sherman & others), 12

U

Ulcers, genital, nonvesicular, etiology of, in Winnipeg (Diaz-Mitoma & others), 33
Ureaplasma urealyticum, vaginal, erythromycin and tetracycline for (Bowie & Willetts), 88
Urethral trichomoniasis, in men (Latif; Mason & Marowa), 9
Urethritis
gonococcal. *See also* Gonorrhea
posttreatment culture for (Schmid & others), 37
single-dose therapy for, in Ethiopia (Habte-Gabr & others), 153
nongonococcal, urinary leukocyte esterase test for (Veeravahu; Smyth & Clay), 180
Urinary leukocyte esterase test, for nongonococcal urethritis (Veeravahu; Smyth & Clay), 180
Urine, bactericidal properties of, for *N. gonorrhoeae* (Noble & Parekh), 217

V

Vaginosis, bacterial, reinfection with, and *G. vaginalis* in male upper genital tract (Elsner & Hartmann), 122
Venereal warts
anorectal, and perianal Bowen's disease (Fiumara & Wagner), 58
female genital, infrared coagulation of (Bekassy & Westrom), 205
penile, podophyllotoxin self-treatment of (Krogh), 135

W

Warts
anorectal, and perianal Bowen's disease (Fiumara & Wagner), 58
female genital, infrared coagulation of (Bekassy & Westrom), 205
penile, podophyllotoxin self-treatment of (Krogh), 135
